BRAND MESSAGING

Brand Identity & Messaging Pillars:

Community First, Always:
We position ourselves as more than a team, but also as a community force. The brand emphasizes accessibility, inclusion, and uplifting the Inland Empire.
Bringing pro sports back to the local community and creating new hometown heroes for youth to look up to.

Fast, Fierce, and Fun:
With a focus on Pro Arena Soccer's high energy, fast pace, flashy goals, physical intensity–the Strykers are the definition of what is a thrilling fan experience is...that stands toe-to-toe with any league/team.

Underdog Spirit with Big League Swagger:
The brand blends blue-collar grit with ambitious vision, often framing the Strykers as a team "fighting to make the Empire & masl proud again" and bring a championship back home.
There's a clear redemption arc, a hunger to prove ourselves, and a constant push to put MASL and the Strykers on the global soccer map in captions and messaging.

Inspired by Legacy, Building for the Future:
Thinking back to the early MISL glory days, the Strykers want to bring that back with a new culture of modern, diverse, and media-savvy soccer & content.

Open Doors, Open Hearts:
The Strykers promote a transparent, inviting culture where everyone has a role in building the Empire.

Content That Connects:
Embracing trendy, relatable, edgy, content & language to connect with younger and all audiences while elevating player personalities & strykers.

Inspire The Empire:
A call to action for players, staff, and fans to uplift the entire Inland Empire community through passion, effort, and pride–on and off the field.
It speaks to representing something bigger than yourself: a region, a movement, a shared dream.

Inspire Your Empire:
A motivational message aimed at individuals–whether it's a player, a kid in the stands, or a fan–encouraging them to take ownership of their goals, dreams, and influence.
It reframes "Empire" as your personal kingdom, your world, your legacy.
